

ANNUAL REPORT 2022-23

Academic Session 2022-23 started on 1st June. The annual plan for session 2022-23 was prepared well in advance during the month of April 2022. As per the plan, 5 days inservice Training Programme was conducted for the entire teaching staff. The main focus on the training was Revised Evaluation System introduced by CBSE, Problem Solving and skill development. We have prepared an academic plan and accordingly split up of syllabus & lesson plans for the academic session. The same was completed and submitted as per schedule. A Schedule of evaluation also was prepared. The school provided students Diary which contained all information such as List of holidays, Days of celebrations, PTA meetings, Open House Date, Examination Schedule, Leave Records, Late coming and record of improper uniform, Information regarding Assignments Projects, Daily schedule of learning, CCA activities –Date wise etc.. The diary played a vital role as it provided better communication between parents and teachers on day to day work and progress of the students. To assess the learning level of the students, number of unit tests, assignments, projects and model preparations were planned and executed. Based on the outcome, remedial coaching was conducted right from class I to class XII. All class rooms of the school are smart classes with ICR and LCD Projector which is used at the maximum by the students and teachers to make the learning activities a joyous experience.

New System of evaluation was introduced from classes IV to X as per CBSE instructions. For classes X to XII ,monthly exams conducted. In classes X & XII,the syllabus was completed well in advance and revision done.Two model exams conducted for X & XII. Lot of evaluation work was undertaken by teachers to assist the slow and bright learners.

Frequent PTA meetings were held.Class wise Parent-Teacher meetings and Open Houses were conducted and students learning deficiencies discussed and remedies planned.

Development of Communication skill is the most important aspect of education especially English Communication.To improve the English language fluency in our school children,the management had signed an agreement with a very reputed firm namely Institute of Language Management (ILM) Banglore.They are very popular all over india and language skills are developed through activities other than teaching-learning ,the school has initiated lot of Co-Scholastic activities for the all round development of the students. Weekly competitions under CCA was held on every Friday last period.Most of the students of the school has participated in one or the other competition.

We are providing coaching classes in Karatte, Kun-Fu ,Yoga,Skating, Dance, Music, Art, Basket Ball,Volley Ball etc..regularly. The students of the school participated in the All India Competitive Examination conducted by TERI ,The Energy and Resource Institute under Govt:of India.

School has organized many functions and celebrations during this academic session. On June 5th we celebrated Environmental day by planting trees .Independence day was celebrated with a National spirit.Republic Day was celebrated in a befitting manner. Farewell function for pass out students of 10th & 12th was organized and conducted.
